Old Business

Princess Ball-Possibly the largest attendance yet, with no complaints. Profit report was reviewed, profit similar to last years final numbers. Motion by Marci to give a \$100 donation to the FCCLA group that helped sell tiaras. Second by Wendy. Marci to send out thank you notes to volunteers and those who helped with the event.

Invite New Members-Next meeting

Nomination of Officers-everyone agreed to stay on with position no contest by other group members. Vote to be held in April.

Committees

Young Careerist-A date to be set soon and will start getting donations for the event.

Reality Store-Volunteers being called for the event. Still need a few more. Our group is to pay for the food as we have money and this is not a fund raising event. Hard to find donors.

Scholarship-Applications are going out to the schools this week. An application will be put on the website also.

Legislative-Article in the current news says women with children earn 60% less wage than men and women beyond children bearing years earn 73% less.

Membership-14 total group memberships, Kendra Overla sent e-mail thanking us for honoring her as our young careerist, but is not longer able to be a member.

Special Service-Nothing to Report

Financial Request-Marci suggested we find some local women's group to donate, such as pregnancy loss, as we have the money to do so and make a list for yearly contributions. Will discuss next meeting.

Website-All the pictures on the website have been updated. Still waiting on a few more changes to give us better access. Paid another 2 year fee for our domain name.

Basket Drawing- Connie-winner. Emblem benediction. Meeting adjourned by Jane at 8:03 pm.
