

Alma Area BPW, February 9th, 2011, Saravilla Bed and Breakfast

Members present: Jayne Norris, Laura Krebs, Marci Browne, Karen Smith, Kim McCracken, and Connie Katt

6:30pm Sue Malone, from the Women's Resource Center, was our guest. Her organization is looking for new ways to reach out to the women in our community. They've been successful at the Career Closet and would like to go further working with the women on job interviews. It was suggested that they get a booth at the upcoming Woman's Day in Ithaca scheduled for May 9th. This would be a great opportunity to promote the Career Closet by showing what you should wear to an interview and then also give them the opportunity to sign up for mock interviews.

Meeting was called to order by Jayne Norris at 7:30pm Club Collect and Pledge of Allegiance to the Flag recited.

January minutes read and placed on file.

Treasurer's report was not available. Will be reviewed next month.
